

E - Working plan for 3b: April 20th – April 24th, 2020

So this week we are starting with **Unit 8**.

- 1) SB p.84 / 1: First listen to the story on MORE! Media App (2x)
- 2) Then read the story and mark all the new or difficult words. Make a list of these words into your notebook and translate and learn them.
- 3) SB p.85 / 2
- 4) Make a mindmap: Write all the information about Nikola Tesla into your notebook. If you don't know how to start, look at the one in the downloads. You can do it in a similar way.
- 5) SB p. 85 /3: Read the text, match the words in italics with the definitions next to the text and then copy them into your notebook.
- 6) WB p.63 / 12, 13, 14

Please take photos of SB p.85, WB p. 63, of your wordlist and your mindmap in your notebook and send them by E-mail or WhatsApp to Mrs Fischer or Mrs Sommerauer **until Friday 24th. If you can't send them in an electronic way, hand them in at school.**

If you have a question or a problem, please contact us.

Best regards,

M.Fischer / A.Sommerauer
